RWD

RWD

El diseño web responsive es un enfoque que asegura que los sitios web se vean bien y funcionen correctamente en diferentes dispositivos y tamaños de pantalla

Viewport

El viewport en CSS se refiere al área visible de una página web en el navegador.

Media queries

Desktop

@media screen and (min-width: 1024px) {...}

Tablet

@media screen and (min-width: 768px) and (max-width: 1023px) {...}

Smartphone

@media screen and (max-width: 767px) {...}
